

Desert Research Questions

1) Where are deserts found?

2) What is the temperature like in a desert? Be specific.

3) What is the water supply like in a desert?

4) What are examples of the plant life in a desert?

5) What are examples of invertebrates living there?

6) What are other types of animals that live in a desert?

7) How do the animals survive there?

8) Tell me three interesting facts about a desert.

9) Describe what a desert looks like in your own words.

Biomes Check List

Check for correct spelling.

Check for capital letters.

Check for punctuation at the end of your sentences.

Three slides with sound

Four Slides with animation

All slides with transition

Slide 1: Your name and Biome title
Color Scheme

Slide 2: The location, temperature, water supply, and description of your Biome
(questions 1,2,3, and 10)

Standards' Indicators Addressed During Biome Unit Project

Science Indicators

- **4-2.1 Classify organisms into major groups according to their physical characteristics**
- **4-2.2 Explain how the characteristics of distinct environments (including swamps, rivers and streams, tropical rain forests, deserts, and the polar regions) influence the variety of organisms in each**

ELA Indicators

- **4-5.1 Create informational pieces that use language appropriate for the specific audience**
- **4-6.1 Clarify and refine a research topic**
- **4-6.2 Use print sources and nonprint sources to access information**
- **4-6.4 Paraphrase research information accurately and meaningfully**
- **4-6.6 Use the Internet with the aid of a teacher**
- **4-6.8 Select appropriate graphics, in print or electronic form, to support written works and oral and visual presentations**

Power Point Presentation Score Sheet Name _____

	Total Possible Points	Total Points Given
6 Slides	10	
Title Slide	10	
Design Template and/or Background Colors	10	
Transitions on All Slides	10	
Clip Art	10	
Animation Included	10	
Correct Spelling and Punctuation	10	
Correct Topic Information	10	
Overall Presentation	20	
	100
